MESSAGE

I am glad that the Ministry of Statistics & Programme Implementation (MOSPI) has brought out the latest edition of the Guidelines on the Member of Parliament Local Area Development Scheme (MPLADS). The Scheme, which started in 1993, has been doing extremely well in creating durable community assets for the betterment of the public at large. Based on the performance and requirement of the Scheme, the Government has raised the annual allocation of the Hon'ble Members of Parliament (MPs), from Rs. 2 crore to Rs. 5 crore from the financial year 2011-12.

In order to ensure that the MPLADS funds can be spent timely, speedily, effectively and fruitfully throughout the country, the present Guidelines have been made broad based, simplified and easily implementable. Further, to provide Hon'ble MPs a greater choice of projects under the MPLADS funds, the basket of eligible items under the Scheme has also been enlarged. The present set of Guidelines is very exhaustive and it provides not only the list of prohibitory items under the Scheme, but also that of permissible items.

MOSPI has recommended creation of a "Facilitation Centre" in each District for effective interaction with the District officials and better monitoring of the Scheme implementation. Another recent initiative by MOSPI is "One-MP-One Idea" scheme to facilitate generation of new innovative ideas from the public which can be used to arrive at effective solutions for problems, being faced by society at large.

I am pleased to release the "Revised Guidelines of MPLADS", which I hope shall be useful for Hon'ble MPs to take up development activities in much better and effective way.

PREFACE

The Members of Parliament Local Area Development Scheme is a pioneering scheme, which directly fulfills the requirement of the public at large, in the field of infrastructure development, drinking water, education, roads, health, sanitation etc. and is governed by the Guidelines on MPLADS. This revised and updated compilation brought out after a gap of seven years, will assist the smooth implementation of the Scheme.

I would like to draw specific attention to Annexure II A of the publication, which encapsulates the various items, which are now permissible under the Guidelines. This would help Members of Parliament to make recommendations for the betterment of the community at large. The other Reform Circulars/clarificatory instructions from 2006 onwards issued by my Ministry have also been incorporated in the new set of Guidelines.

I am also happy to say that the compilation are the result of effective feedback received from various review meetings held by my officers with State nodal Secretaries, both the Committees of Parliament on MPLADS, and suggestions from Members of Parliament and other stakeholders. I wish to convey my sincere thanks to the staff and officers of the MPLADS Division for their dedicated efforts who have helped in bringing out the new Guidelines which would help implementing the Scheme in the desired manner.

MESSAGE

I am happy to know that a new set of Guidelines on the Members of Parliament Local Area Development Scheme has been brought out by my Ministry. Since the release of the last Guidelines on MPLADS in 2005, several clarificatory instructions and Reform Circulars have been issued based on the suggestions received from various stake holders including both the Committees of Parliament on MPLADS and Members of Parliament. All efforts have been made to incorporate in the Guidelines now being issued, all modifications issued subsequent to the earlier Guidelines. It is hoped that the new Guidelines are more exhaustive, understandable and having greater clarity that will make it easier to implement the MPLAD Scheme for the betterment of the public at large. It may be noticed that the present Guidelines contain a wider basket of eligible items under MPLADS which is based on suggestions from various stakeholders.

The new Annexure II-A, which has been added for the first time in the Guidelines, gives the broad category of permissible items under the Scheme. This will facilitate the Members of Parliament to make necessary recommendations to the District Authority.

I convey my thanks to the entire team of the MPLADS Division of this Ministry for taking the initiative to bring out this compendium and for their painstaking effort. I hope these new Guidelines would help the State/ District Authorities in implementing and monitoring the MPLAD Scheme to the full satisfaction of all stakeholders.

**GUIDELINES ON
MEMBERS OF PARLIAMENT LOCAL AREA DEVELOPMENT SCHEME**

1. BACKGROUND

- 1.1 The general public approach Members of Parliament (MPs) for provision of certain basic facilities to meet the felt needs of the people.
- 1.2 On 23rd December 1993 Prime Minister had announced the Members of Parliament Local Area Development Scheme (MPLADS) in the Parliament. Initially the MPLADS was under the control of the Ministry of Rural Development. The 1st Guidelines were issued in February 1994, covering the concept, implementation and monitoring of the Scheme. The MPLAD Scheme was transferred to the Ministry of Statistics and Programme Implementation in October 1994. The Guidelines were subsequently revised in December 1994, February 1997, September 1999, April 2002, November 2005 and lastly in August 2012. The present comprehensive revision of guidelines is based on the experience gained over 18 years, and having considered the suggestions made by the various stakeholders including Members of Parliament, both the Committees of the Lok Sabha/Rajya Sabha, NABARD consultancy services (NABCONS) and Comptroller and Auditor General of India in its Reports.
- 1.3 The objective of the scheme is to enable MPs to recommend works of developmental nature with emphasis on the creation of durable community assets based on the locally felt needs to be taken up in their Constituencies. Right from inception of the Scheme, durable assets of national priorities viz. drinking water, primary education, public health, sanitation and roads, etc. are being created.
- 1.4 In 1993-94, when the Scheme was launched, an amount of Rs. 5 lakh per Member of Parliament was allotted which became Rupees one crore per annum per MP constituency from 1994-95. This was stepped up to Rs. 2 crore from 1998-99 and now it has been increased to Rs.5 crore from the financial year 2011-12.
- 1.5 The Ministry of Statistics and Programme Implementation has been responsible for the policy formulation, release of funds and prescribing monitoring mechanism for implementation of the Scheme. A Department each in State/UTs is designated as the Nodal Department with the overall responsibility of supervision, monitoring and coordination of the MPLADS implementation with the districts and other Line Departments. The Government of India informs the State Nodal Department about the MPLADS funds released to the District Authorities. The District Authorities report the status of MPLADS implementation to the Government of India and State Nodal Department.

2. FEATURES

- 2.1 The MPLADS is a Plan Scheme fully funded by Government of India. The annual MPLADS fund entitlement per MP constituency is Rs. 5 crore.
- 2.2 Lok Sabha Members can recommend works within their Constituencies and Elected Members of Rajya Sabha can recommend works within the State of Election except as provided in paras 2.8 and 2.9. Nominated Members of both the Rajya Sabha and Lok Sabha can recommend works, anywhere in the country.
- 2.3 A Member of Parliament shall give his choice of Nodal District in Annexure I of the guidelines to the Ministry of Statistics and Programme Implementation with copy to the State Government and to the District Magistrate of the chosen District. If a Lok Sabha Constituency is spread over more than one District, the Member of Parliament can choose any one of the Districts as Nodal Districts in his/her constituency. The Rajya Sabha MP can choose any District in his/her State of Election as Nodal District. Nominated Members of both Rajya Sabha and Lok Sabha can choose, any District in the country as Nodal District.
- 2.4 All works to meet locally felt infrastructure and development needs, with an emphasis on creation of durable assets in the constituency are permissible under MPLADS except those prohibited in Annex-II. Expenditure on specified items of non durable nature are also permitted as per list in the Annex-IIA.

In other words, out of an amount of Rs.5 crores, a M.P. shall recommend for areas inhabited by S.C. population, Rs.75 lacs out of the annual Rs.5 crores and Rs.37.5 lacs for areas inhabited by S.T. population. In case there is insufficient tribal population in the area of Lok Sabha Member, they may recommend this amount for the creation of community assets in tribal areas outside of their constituency but within their State of election. In case a State does not have S.T. inhabited areas, this amount may be utilized in S.C. inhabited areas and vice-versa. It shall be the responsibility of the district authority to enforce the provision of the guideline. In order to facilitate implementation of this guideline, it will be responsibility of the district authority keeping in view the extant provisions of State and Central Government's to declare areas eligible for utilization for funds meant for the benefit of SC & ST population.

The funds would be released by the Nodal district of the MP concerned to the District Authority of the affected district. MPLADS funds may be pooled by the District Authority of the affected district for works permissible in the Guidelines. The amount so transferred from the nodal district to the natural calamity affected district may be shown in the UCs as well as MPRs as amount transferred to natural calamity affected district for rehabilitation work. The Works Completion Report, Audit Certificate and Utilization Certificate for such works and funds will be provided by the District Authority of the affected districts directly to the Ministry of Statistics and Programme Implementation for overall reconciliation. No separate UC/AC/Completion Report in respect of the transferred amount would be required from the Nodal District authority in this regard while processing release of subsequent installment of MPLADS funds.
- 2.8** In the event of “Calamity of severe nature” in any part of the country, an MP can recommend works up to a maximum of Rs.50 lakh for the affected district. **Whether a calamity is of severe nature or not, will be decided by the Government of India.** The funds in this regard will be released by the District Authority of Nodal district of the MP concerned to the District Authority of the affected district to get permissible works done. Guidelines for proposal on the 'One MP – One Idea' Competition

For political leadership to become champions of the cause of innovation, the National Innovation Council has proposed an idea for a scheme of 'One MP-One Idea' to award on an annual basis, three best innovations in each MP's constituency. The competition must be focused on looking at innovative solutions with a focus on implementation rather than just thinking of new ideas. The process of holding this competition is detailed below and the format for submission of applications and the format for nominations are also attached.

- (i) The 'One MP – One Idea' Competition will select the three best innovations from a constituency and give them cash awards. The announcement can be made through any media – print, radio, television or online, by the DC/DM. It must be ensured that the announcement details are put up on the relevant website(s) as well. The Competition will invite innovative solutions in the areas of education, healthcare, agriculture, energy, environment, etc. The solutions can be submitted by any individual, group of individuals, industries, industry consortia, academia, NGOs and other institutions from the constituency using the format for submission of applications. Good innovations can also be nominated by reputed people in the constituency by using the nomination form, which should include an application in the format from the nominated individual, group of individuals, industries, industry consortia, academia, NGOs and other institutions. All entries, whether by nomination or application, will follow the same screening process.
- (ii) A Selection Committee headed by DC/DM and consisting of other Members from Engineering, finance, Health, sanitation, academia, industry background may be set up with the mandate to screen all applications. The committee may also include banks and financial institutions who may want to finance good innovations. The Selection Committee will select the three best innovations of this competition, in the best transparent manner and submit its recommendations to the Government
- (iii) Cash awards of Rs. 2.5 lakhs, Rs. 1.5 lakhs and Rs. 1 lakh will be awarded to the first, second and third prize winner respectively. The funds will be provided from the MPLAD Scheme. The awards should be given away by the MP in a public function with adequate media coverage, where the award winners should speak about their innovations and the DC/DM along with the MP should inspire people to find innovative solutions to social problems.

The initiative would be able to foster a spirit of innovation and grassroots competitiveness, and spur the innovation movement in the country by involving a large cross-section of people. This competition will also encourage a bottom-up approach to solving local problems in a sustainable and scalable manner.

Sub : Modification of MPLAD Guidelines-one-MP -one Idea.

Sir/Madam,

In supersession of Para 3.36 and Para 14, 14.1, 14.2 of Annexure II A and Annexures X, X-A, X-B & X-C of the guidelines of MPLADS, issued in August 2012, the following may be replaced as Paras 3.36, 3.36.1 and 3.36.2 in the MPLADS revised Guidelines of August, 2012:-

3.36 One MP- One Idea: In order to foster a grass-root bottoms-up approach to innovation and development and to arrive at solutions for local problems, which are sustainable and scalable, there is a need for seeking out and campaigning for ideas that have the potential to solve challenges. Accordingly, based on the innovative ideas received from the local people regarding developmental projects, a 'One MP – One Idea' Competition may be held in each Lok Sabha constituency annually to select the three best innovations for cash awards and certificate of appreciation for next five best innovations. These awards will be given on the specific request of Hon'ble MPs to promote such a scheme in their constituency. The announcement calling for applications in prescribed format would be made by the Nodal District Authority through various media viz. print, radio, television etc. It must be ensured that the announcement details are put up on the relevant website(s) as well. The Competition will invite innovative solutions in the areas of education and skills, health, water and sanitation, housing and infrastructure, agriculture, energy, environment, community and social service, etc. The innovative solutions can be submitted by any individual or by a group of individuals, industry, industry consortia, academia, NGO or other institution from the constituency. The format for submission of application is given at Annexure-I. All entries will follow the same screening process.

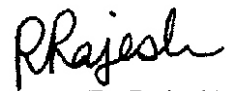

3.36.1 A Selection Committee may be set up with the mandate to screen all applications. The Selection Committee shall be headed by the DC/DM of the Nodal District and shall consist of eight members from (i) Engineering, (ii) Finance, (iii) Health and sanitation, (iv) Academia, (v) Industry (vi) Banking and Financial Institutions and (vii) two members from Social sector/NGOs to be nominated by Hon'ble MP. The members from Engineering, Finance, Health and Sanitation sectors will be nominated by DC/DM and should be from the Central/State/UT Government. The members from Academia, Industry and Banking & Financial Institutions shall be of repute & distinction in their own field and shall be nominated by DC/DM. The Selection Committee will select the three best innovations for cash awards and next five best innovations for certificate of appreciation. In the event a large number of applications are received, DC/DM, in consultation with Hon'ble MP, may constitute a Screening Committee for initial screening of the potential applications for further evaluation by the Selection Committee.

3.36.2 Cash awards of Rs. 2.5 lakhs, Rs. 1.5 lakhs and Rs. 1 lakh will be awarded to the first, second and third prize winner respectively. In addition to the award money, other administrative expenditure involved in arranging such events including issuing advertisements, holding meetings, etc., subject to a maximum of 10% of the total awards' amount of Rs. 5 lakhs, Rs. 50,000/- will also be permissible under the MPLADS Guidelines. The total amount of awards of Rs. 5 lakhs and administrative expenditure of Rs 50,000/- will be debited to the MPLADS funds of the Hon'ble MP promoting the Scheme. In order to ensure that the scheme would be able to foster a spirit of innovation and grass-root level competitiveness and spur the innovation movement in the country by involving a large cross section of people, the award function should be given a wide publicity. The awards shall be given away by the Hon'ble MP in a public function with adequate media coverage. A Certificate of honour as per Annexure – II will be given to the awardees. The Certificate of appreciation as per Annexure - III will also be given to the next 5 best innovations.”

2. These instructions may be strictly adhered to.
