**Sub:- Cancellation of Member of Parliament Constituency development fund for Rs.100 lakhs under the flood Relief Scheme- reg.**

Sir,

I am directed to refer to your letter on the above mentioned subject and to state that this Ministry has already approved works to the tune of Rs.3953.20 lakhs for the rehabilitation purpose. The consented amount of the MPs taken together are considered in totality by the State Government. It is not possible to belatedly reduce the earlier total sanctioned amount once the total sanctioned amount has already been taken into consideration and works against this amount have been sanctioned and are under implementation. Hence, it will not be feasible or appropriate at this belated stage to cancel the consent.

Yours faithfully,

Director (MPLADS)
