L-36/07/2014-MPLADS

Dated 14.03.2016

To, .

Sh. Ch. Malla Reddy,
Hon'ble Member of Parliament (Lok Sabha),
A-1, A-Block, M.S. Flats,
B.K.S. Marg, New Delhi- 110001.

Subject:- Diverting the MPLADS fund allotted to areas inhabited by ST population into General Quota.

Sir,

Please refer to your letter No. MKJ/MP/07/2016 dated 11.02.2016 on the above mentioned subject.

2. Guidelines on MPLADS in Para 2.5 stipulates that works costing at least 15% and 7.5% for areas inhabited by SC and ST population respectively should be undertaken every year. In case there is insufficient tribal population in the area of Lok Sabha Member, they may recommend this amount for the creation of community assets in tribal areas outside of their constituency but within their State of election. In case a State does not have ST inhabited areas, this amount may be utilized in SC inhabited areas and vice-versa. It shall be the responsibility of the District Authority to enforce the provision of the Guidelines.

3. Further, para 2.5.2 of the Guidelines provides that in case any Constituency faces difficulty in implementing the provisions relating to SC/ ST as stipulated in the Guidelines of MPLADS owing to inadequate SC/ST population, the exemption from the stipulated provision for utilization of MPLADS funds can be made by the concerned Nodal District Authority with the prior approval of this Ministry. The concerned Nodal District Authority, in consultation with the MP concerned, should send a justified and logical proposal, through the State Government, seeking utilization of the stipulated amount for the welfare of the other economically deprived sections of population in the constituency.

Yours faithfully

(Tapan Mitra)
