**Sub.: Construction of more than one Community Hall in one Village.**

Sir,

I am directed to refer to your D.O. letter no. VIP/M.PI-085/2017 dated 12.07.2017 addressed to the Secretary, Lok Sabha Committee on MPLADS regarding construction of more than one Community Hall in villages under MPLAD Scheme.

2. Earlier, the matter has been deliberated at length with the honourable Lok Sabha and Rajya Sabha committee on MPLADS regarding the construction of more than one community halls for the same village and municipality. It was felt that the Guidelines on MPLADS should be unequivocal and objective in respect of eligibility of works under the MPLADS. Subjective judgement either by the honourable MP or the District Authority in respect of 'discretion' or 'genuine felt need' etc. should be avoided. However, to augment the capacity of the existing community halls, additional construction of first floor had been permitted in cities where there is shortage of land vide circular dated 11.02.2016.

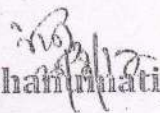

3. As per the extant Guidelines on MPLADS, in annexure IV E, at item VII, S. No. 17, MPLADS funds can be used for construction of only one Community

Issued.

Hall in one village (the 'village' implies a 'revenue village'). In villages where one or more Community Hall already exist, whether constructed from MPLADS funds or from funds of any other Central/State Government Scheme, no further Community Hall can be constructed from MPLADS funds and the Community Hall constructed with MPLADS funds will be accessible without restriction to all members of local community.

Yours sincerely,

Director
