No. C-55/2011-MPLADS

Dated 14.10.2015

To,

All the Nodal Secretaries.

Sub: Full operationalisation of integrated MPLADS portal- reg.

Sir,

Please refer to the letter of even number issued by this Ministry in the months of February & May 2014 and January, February & June 2015 regarding full operationalisation of integrated MPLADS website. In the 18th Bi-Annual Review Meeting held on 23.02.2015, the State Nodal Secretaries of MPLADS were also requested to issue directions to all the concerned State/District officials to switch over to the newly developed integrated MPLADS website for effective monitoring and timely reporting of all the activities pertaining to MPLAD Scheme.

2. It has, however, been observed that only a few District Authorities in your state have started using the integrated MPLADS portal.
3. To familiarize with the functionalities/ features of the portal this Ministry has already provided trainings in different phases during the years 2014 and 2015 to state/district resource persons nominated by the State Nodal Departments.
4. User manuals for all the stakeholders and District Work Flow Guidelines are available on URL '164.100.129.134/mplads', live server. For practicing purpose a test server, URL '164.100.42.68/mplads' has also been provided.

5. In near future this Ministry will provide access to the Hon'ble Members of Parliament for making recommendations through this integrated portal. Through this portal Hon'ble MPs can also view status of implementation of their MPLADS works by the District Authorities on real time basis. On access to this portal the Hon'ble MPs would also be able to communicate with the concerned District authorities.

6. **It is, therefore, once again re-iterated that necessary instructions may kindly be issued to all the concerned state/district officials to fully migrate to the integrated MPLADS portal immediately & positively within a fortnight and ensure meticulous reporting in a time bound manner.**

Yours faithfully

(Tapan Mitra)
Director (MPLADS)
