Sub: - Convergence of Member of Parliament Local Area Development (MPLADS) with Panchyat Yuva Krida Aur Khel Abhiyan (PYKKA) and the Urban Sports Infrastructure Scheme (USIS) of the Ministry of Youth Affairs and Sports.

Sir/Madam,

Government has received representations for allowing convergence of MPLADS with **Panchyat Yuva Krida Aur Khel Abhiyan (PYKKA) and Urban Sports Infrastructure Scheme (USIS) of the Ministry of Youth Affairs and Sports.** The matter has been examined and it has been decided to allow convergence as per the following para, which may be added as para 3.17.2. of the MPLADS Guidelines:-

3.17.2- Convergence of Member of Parliament Local Area Development (MPLADS) with Panchyat Yuva Krida Aur Khel Abhiyan (PYKKA) and Urban Sports Infrastructure Scheme (USIS) of the Ministry of Youth Affairs and Sports. Funds from Member of Parliament Local Area Development Scheme (MPLADS) can be converged with Panchyat Yuva Krida Aur Khel Abhiyan (PYKKA) with the objective of creating more durable assets. MPs may recommend under MPLADS, works such as Development of playfields only of fixed and durable nature under PYKKA including leveling of playgrounds in hilly areas, construction of boundary wall, etc. in villages and blocks from out of the shelf of PYKKA projects if otherwise eligible under MPLAD Scheme. Similarly, in the urban areas, convergence with the Urban Sports Infrastructure Scheme (USIS) will also be permissible for creation of durable sports assets such as multi-purpose sports halls, athletic tracks, football, hockey turf, etc. as per the provisions of guidelines on MPLADS. This

will be subject to the provision of the USIS for creation of urban sports infrastructure, amended from time to time

The accounts of Expenditure will be strictly maintained separately for both MPLADS, PYKKA and USIS. A joint plaque (stone/metal) indicating the cost involved, contribution from MPLADS/ PYKKA, USIS, commencement, completion and inauguration and the name of the MP sponsoring the work under MPLAD Scheme/PYKKA/USIS should be permanently erected.

It has also been decided to expand the field under item No. 1 of Sector 'X' relating to 'Sports' to add the word 'stadia' to make it as follows :

Building/Stadia for sports activities.

2. These instructions may strictly be adhered to in implementation of convergence schemes of MPLADS/PYKKA/USIS.
3. This issues with the approval of Hon'ble Minister, Ministry of Statistics & Programme Implementation.

Yours faithfully,
