Sub: Updation of information on the website of MPLADS.

Sir,

It has been noticed by this Ministry that various Reports generated under the system reveals a number of infirmities. Many important entries, such as date of commencement of work, date of receipt of Utilization Certificate, date of return of savings, reasons for delay in completion of works, physical progress of works and reasons for discontinuance of works etc. have not been made. Some entries of the Reports generated are incorrect, like, dates of sanction/commencement of works are earlier than the date of receipt of proposal of work from the Member. Some other entries convey non-compliance of the Guidelines and no reason for the same has been furnished.. There are certain other infirmities/errors in the date posted on the website.

2. You are requested to take necessary steps to update the website and ensure that no deficiency remains on the website.

Yours faithfully,

(Dharam Pal)
