File No. C-23/2011-MPLADS (Vol-I)

Dated ..... 27.08.2013

2. All District Collectors / District Magistrates / Deputy Commissioners

Subject:- Entitlement of Members of Parliament during a financial year under  
MPLADS

Sir,

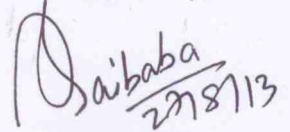

As per Para 2.6 of the Guidelines of MPLADS, an MP will recommend works upto the annual entitlement during the financial year to the concerned District Authority and the District Authority will get the eligible sanctioned works executed as per the established procedure of the State Government. The entitlement of an MP is given in Para 4.5 of the Guidelines.

2. Therefore, an MP can recommend projects upto his annual entitlement right at the beginning of the financial year. The District Authority has to sanction all the eligible projects recommended without waiting for release of funds by the Ministry of Statistics & Programme Implementation. The MPLADS funds are non lapsable. There is no uncertainty about the availability of funds, which can be released subsequently after completion of the requisite formalities.

3. The District Authorities are advised to process sanction and implementation of works upto the full annual entitlement of the MPs without linking them with physical availability of MPLADS funds. This would expedite sanctions and also increase the number of projects being implemented at any given point of time. The eligibility for release of further installments will also come earlier. Thus, the implementation of MPLADS on the whole will be speeded up.

4. This issues with the approval of competent authority.

Yours faithfully,

(D. Sai Baba)
